1. Each and every of said lots which has been conveyed by warranty deed from the Subdivider or which has been leased from the Subdivider, except lots or lands dedicated, reserved, taken or sold for public improvements or use, shall be subject to the service fees as are hereinafter provided. The entity responsible for the collection of the fees and for the disbursement of and accounting for the funds is Kingsland Property Owners Association, Inc. (hereinafter called Service Corporation), a non-profit Florida corporation. The operation of the Service Corporation shall be governed by its By-Laws, a copy of which is incorporated herein and made a part thereof, by reference, and is recorded in Official Records Book 574, Page 351, of the Official Records of Marion County, Florida. No modification or amendment to the By-Laws of said corporation shall be valid unless set forth in or annexed to a duly recorded amendment to the By-Laws in accordance with the formalities set forth herein. The By-Laws may be amended in the manner provided for therein, but no amendment to said By-Laws shall be adopted which would affect or impair the validity or priority of any mortgage covering or encumbering any lot or which would change sub-paragraph 3 herein pertaining to the amount and fixing of fees.

2. Every owner of any of said lots, whether he has acquired the ownership by purchase, gift, conveyance, or transfer by operation of law, or otherwise and every lessee who leases any of said lots from the Subdivider shall be a member of the Service Corporation and shall be bound by the Certificate of Incorporation and By-Laws of the Service Corporation as they may exist from time to time. Membership shall be divided into Class A membership and Class B membership. Each lot owner of a lot conveyed (deeded) by the Subdivider shall automatically be and become a Class A member of the Service Corporation. The Class B member shall be the only voting member of the Service Corporation until January 1, 1983, or until such prior time as follows:

- A. Such prior time as the Class B member shall determine in it's sole judgment, as evidenced by an amendment to the By-Laws of this Service Corporation at which time the Class A Members shall become voting members of the Service Corporation, or
- B. Upon conveyance (deeding) by the Subdivider of eighty (80%) percent of the total number of lots covered by these restrictions and other similar restrictions recorded now or in the future affecting lots in Subdivider's entire development of Subdivider's contiguous subdivisions and units on State Route 200, Marion County, Florida (hereinafter called Kingsland Country Estates) other than a conveyance Resulting from a merger, consolidation, liquidation or other similar plan or a conveyance to the successors or assigns of the Subdivider.

At such time as Class A members shall be entitled to one vote in the affairs of the Service Corporation, said members shall be entitled to one vote in the affairs of the Service Corporation for each lot, tract or parcel owned by said member and

the Class B membership shall be entitled to one vote and to the appointment at its pleasure from time to time, of one member of the Board of Directors. In the even a lot, tract or parcel is owned by more than one person, firm or corporation, the membership relating thereto shall nevertheless have only one vote which shall be exercised by the owner or person designated in writing by the owners as the one entitled to cast the vote for the membership concerned.

3. The initial monthly fees to be paid to the Service Corporation for maintenance and upkeep as is further described herein for each and every of said lots subject thereto, shall be a base rate multiplied by a percentage factor as follows:

<u>District</u>	<u>Base Rate And Percentage Factor</u>	<u>Initial Fee</u>
All Lots In Kingsland Country Estates, Whispering Pines	\$4.50 x 100%	\$4.50
All Lots In Kingsland Country Estates, Forest Glenn	\$4.50 x 133 1/3%	\$6.00

Any fee adjustments shall be made only to the base rate as provided in this sub-paragraph 3 and the percentage factor shall not be changed.

Said fees shall be due and payable in advance on or before the first day of each and every month for the next succeeding month or at such other reasonable intervals as the Service Corporation may determine. Initial fees shall commence the month following the month of conveyance. The Service Corporation may, but shall not be require to, provide for a reasonable rate of interest to accrue on any of said overdue installments and may change the rate of interest from time to time. The Service Corporation may increase said monthly fee from time to time as is hereinafter provided, but said initial monthly shall not be raised more than twenty-five (25%) percent of the then existing monthly fee during any one calendar year. Said monthly fee may not be raised to a sum more than double the initial monthly fee without the joint consent for any increase thereafter of the owners of record of not less that 51%, in number, of all the owners of deeded lots subject thereto who actually vote for or against said increase including the owners of those deeded lots covered by other restrictions containing similar provisions affecting lots located in Kingsland Country Estates, whether recorded now or in the future, and if said monthly fee is decreased or extinguished by the Service Corporation, the services provided by the Service Corporation may be decreased or extinguished so that the Service Corporation shall not be required to pay more for the services hereinafter enumerated than is collected by said fees. In regard to said joint consent, the owner of each deeded lot shall be entitled to one vote for each said lot owned by him and each said lot shall not be entitled to more than one vote after Class A

members become voting members of the Service Corporation (except for the vote required to change the monthly fee). In addition to the maintenance fees authorized above, the Service Corporation may levy, in any one year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement in any of those areas hereinafter set forth in sub-paragraph 13 provided that any such special assessment shall have the assent of two-thirds (2/3) of the votes of the Class A members who are voting in person or by proxy at a meeting duly called for that purpose. The Service Corporation may establish special benefit subdistricts within all of Kingsland Country Estates, including that Unit affected by these Restriction and those Units in Kingsland Country Estates affected by other similar restrictions, for the purpose of levying special assessments for capital improvement of primary benefit to properties located in the particular subdistrict affected; in which case the special assessment would be levied against and apply only to properties within said subdistrict and would require the assent of two-thirds (2/3) of the votes of the Class A members within said affected subdistrict only. In the event street lighting is not provided by a special taxing district, then these restrictions and the initial fee set forth herein may be amended to provide for the reasonable cost of street lighting.

4. In the event any sales taxes or other taxes are required to be paid or collected on said fees by any governmental authority, said taxes shall be added to the fees due from time to time.

5. The Service Corporation shall not make a profit from the collection of said fees or from the furnishing of the services hereinafter enumerated and all of said fees shall be appropriated and spent for the things hereinafter enumerated, except that the Service Corporation may apply a reasonable portion thereof to be retained as reserves for various contingencies. Said fees shall not be spent or used for any development costs of the Subdivider or for the Subdivider or for the maintenance and upkeep of the area of any rights-of-way immediately adjoining any lots owned by the Subdivider prior to the first conveyance or lease of said lots by the Subdivider. The Service Corporation shall account to the said lot owners as to the method of spending of said funds at least once each and every calendar year commencing with the year 1976. Said accounting shall be made in conformity with generally accepted accounting principles applied on a consistent basis and if said accounting is certified by a Certified Public Accountant, then the accounting shall be conclusively presumed to be accurate as set forth therein.

6. The Service Corporation may commingle the sums collected hereunder with those collected under other similar provision of other recorded restrictions affecting other lands shown on plats of Kingsland Country Estates, recorded now or in the future in the Public Records of Marion County, Florida, which funds are intended thereby to be used for similar purposes.

7. Each such fee and interest thereon and reasonable court costs and legal fees expended in the collection thereof shall, from the date it is due, or expended, constitute a lien on the lot or property with respect to which it due. The Service Corporation may take such action as it deems necessary to collect overdue fees by personal action or by enforcing and foreclosing said lien and the Service Corporation may negotiate disputed claims or liens and settle or compromise said claims. The Service Corporation shall be entitled to bid at any sale held pursuant to a suit to

foreclose said lien and to apply as a cash credit against its bid, all sums due the Service Corporation covered by the lien foreclosed. In case of such foreclosure, the lot owner shall be required to pay a reasonable rental for the lot, and the Plaintiff in such foreclosure shall be entitled to the appointment of a receiver to collect the same. The Service Corporation may file for record in the Office of the Clerk of the Circuit Court for Marion County, Florida, on and after sixty (60) days after a fee is overdue, the amount of said overdue fee, together with the interest and costs thereon and a description of the lot and the name of the owner thereof and such additional information as may be desirable, and upon payment in full thereof, the Service Corporation shall execute a proper recordable release of said lien.

8. Said lien shall be subordinate to any institutional first mortgage of first trust. Where an institutional first mortgagee or lender of record or other purchaser of a lot obtains title to the lot as a result of foreclosure or said mortgage or where an institutional first mortgagee of record accepts a deed to said lot in lieu of foreclosure, such acquirer of title, his successors and assigns, shall not be liable for the fees due to the Service Corporation pertaining to such lot and chargeable to the former lot owner of such lot which became due prior to acquisition of title as a result of the foreclosure, or the acceptance of such deed in lieu of foreclosure. The term "institutional first mortgagee" means a bank, or a savings and loan association, or an insurance company, or a pension fund, or a bona fide mortgage company, or a real estate investment trust, transacting business in Florida which owns or holds a mortgage encumbering a subdivision parcel.

9. Any person who acquire an interest in a lot, except through foreclosure of an institutional first mortgage of record (or deed in lieu thereof), including purchasers at judicial sales, shall not be entitled to occupancy of the lot until such time as all unpaid fees due and owing by the former lot owner have been paid.

10. The Service Corporation shall have the right to assign its claim and lien rights for the recovery of any unpaid fees to any lot owner or group of lot owners or to any third party.

11. The purchasers or lessees of lots or parcels in the Subdivision by the acceptance of deeds or leases therefor, whether from the Subdivider or subsequent owners or lessees of such lots, shall become personally obligated to pay such fees including interest, upon lots purchased by them, and if payment is not made as provided for herein, said fees shall constitute a lien on the said lot as otherwise provided herein, and the Service Corporation shall have and retain the right or power to bring all actions for the collection of such fees and interest and the enforcement of the lien securing the same. Such right and power shall continue in the Service Corporation and its assigns and such obligation is to run with the land so that the successors or owners of record of any portion of said property shall in turn become personally liable for the payment of such fees and interest which shall have become due during their ownership thereof.

12. The Subdivider or its successors or assigns shall not be obligated to pay to the Service Corporation any fees upon any of said lots owned by the Subdivider which are subject thereto, prior to the first conveyance or lease of said lots by the Subdivider, but shall be obligated to pay any such fees for any lot or lots reacquired from successive owners of said lots.

13. The Service Corporation shall apply the proceeds received from such fees towards the payment of the cost of any of the following matters and

things in Kingsland Country Estates, but only until such time as they are adequately provided for by Governmental Authority, whether within the unit partially or fully restricted by these restriction or within the units partially or fully restrict by other restrictions recorded or intend to be recorded or recorded in the future in the Public Record of Marion County, Florida, affecting properties located in Kingsland Country Estates, namely:

A. Improving or maintaining such rights-of-way, swales, parks, fountains, trails, bikeways, recreation areas for which no other fees are charged by the Subdivider, and other open spaces, including all grass plots and other planted areas within the line of rights-of-way, which areas exist for the general benefit of all the lot owners in Kingsland Country Estates or for the general public, whether or not a reservation for the public is dedicated or recorded and whether or not said areas are owned by the Subdivider or the Service Corporation or any third person, and whether or not said areas are dedicated rights-of-way now existing or hereafter created, and whether or not they shall be maintained for the public use or for the general benefit of the owners of lots or parcels within said Subdivision and their successors in interest, insofar as such are not adequately provided by governmental authority. Such maintenance may include, but shall not be limited to the maintenance of any improvements on the areas enumerated above, the cutting of grass, planting, bushes, hedges and removing of grass and weeds therefrom and all other things necessary and desirable in order to keep the Subdivision and the streets and public areas enumerated neat, attractive and in good order.

B. The installation cost and maintenance of all devices necessary for the protection of the public where any designated equestrian trail intersects any public street or road within said Subdivision.

C. The cleaning and lighting of streets, walkways, pathways, bikeways, trails and public areas within or bordering upon the Subdivision, collecting and disposing of debris and litter therefrom but only until such time as such are adequately provided for by governmental authority.

D. Taxes and assessments, if any, which may be levied upon any of the properties described in Paragraph 13 A through F, and due and payable by the Subdivider or the Service Corporation.

E. Liability, property damage and other insurance.

F. The Service Corporation shall have the right, from time to time, to expend said proceeds for other purposes, and to make expenditures for capital improvements not inconsistent herewith, for the health, safety, welfare, aesthetics or better enjoyment of the community.

14. The enumeration of the matters and things for which the proceeds may be applies shall not require that the Service Corporation actually spend the said proceeds on all of said matters and things or during the year that

said fees are collected and the Service Corporation shall apportion the monies between said matters and things and at such times as it may determine in its sole judgment to be reasonably exercised.

15. No lot owner, parcel owner or lessee shall be excused from the payment of the fees provided for herein because of his or her failure to use any of the said facilities to be maintained or improved.

16. The Service Corporation may assign its rights, duties and obligations under this section, including its right to collect said fees and to have same secured by a lien and its obligation to perform the services require hereunder, by recording an appropriate assignment document in the Official Record of Marion County, Florida, making said assignment.

17. Reference herein to the fees shall include the fees set forth and shall also include such reasonable collection expenses, court costs and attorney's fees as may be expended in the collection of said fees.

D. General Provisions.

1. The covenants and restrictions herein contained shall be deemed to run with the land, and shall be binding upon all parties purchasing any lot or lots in said subdivisions, and their heirs, successor and assigns, until January 1, 1990, after which said covenants and restrictions shall be automatically extended for successive periods of ten (10) years each, unless by a vote of the majority of the then owners of all the lots or tracts in Kingsland Country Estates (the owner or owners of each lot shall have one vote) it is agreed to change said covenants in whole or in part, in which event said covenants and restrictions shall be changed accordingly.

2. The By-Laws of Kingsland Property Owners Association, Inc., a non-profit Florida corporation, are hereby annexed to and made a part of these covenants and restrictions.

3. Failure to promptly enforce any of the restrictions, conditions or covenants provided herein shall not be deemed a waiver of the right to do so thereafter, and the invalidation of any such covenant or restriction by judgment of any court having jurisdiction thereof shall not in any way affect any of the other provisions, which shall continue to remain in full force and effect.

4. In the event of the violation or breach of any restrictions or covenants herein contained, Subdivider, its successors or assigns, or any owner of any lot, his successors, heirs, personal representatives and assigns, shall have the right, in addition to any other remedy, legal or equitable, to proceed in law or in equity to enjoin the violation of any of said restrictions or covenants.
